Unnamed Incident: On Friday, June 20, 2014, at 7:00 a.m., we received a request for assistance from the Fillmore Fire Department in Ventura County to join the search for the Arcadia firefighter who has been missing since Friday, June 13, 2014, in Los Padres National Forrest. We initially deployed three canine search teams and one battalion chief. The team was assigned as a prime, high priority live scent search team to cover the area between the Point Last Seen and the area where the firefighter's dog had been spotted several times. It was a full day operation by our team in which the canines were able to conduct full bank-to-bank coverage all along the section of Sespe Creek. The team was released the next day and returned to Los Angeles County.
